Hey Gang,
It's here! It's finally here! This is the month that **Tales From Riverdale Digest #1** goes on sale! Hopefully you're holding a copy in your hands right now! If not, don't let this month go by without getting one! This issue is destined to be a collector's item!
Now don't think that the excitement is over, because later this month **Jughead & Friends Digest #1** goes on sale! Jughead is going to be making some big changes! Want to know what those changes are? Okay, but you have to promise to always read this page, **Riverdale Mail**, for all your Digest inside information! Here it is: not only is Jughead going to go out on a date with a *GIRL*, but he's going to go out on a date with *FIVE* girls! You'll be able to read all about it in, "**Casanova Jones**."
I also want to thank everyone who answered our first Digest Reader's Poll Question. We received hundreds of letters and e-mails with everyone's opinion on who gets Archie into more trouble, Reggie or Jughead. We'll be printing the results once we have the final tally! Sorry for the delay, but Reggie has demanded several recounts!
See you next month!
Your Pal,
Nelson Ribeiro

Hello Riverdale Mail,
My name is Erica Rose. I'm 24-years-old, and I just wanted to say I'm a huge fan of Archie Comics. I've been collecting for over 17 years. I've collected many Archie Comics and my favorites are the 'Double Digest' books. Now I have two questions for you:
1. Will there ever be a Little Archie Double Digest?
2. Are there many adults who read Archie Comics?
Thanks,
Erica Rose
via regular mail

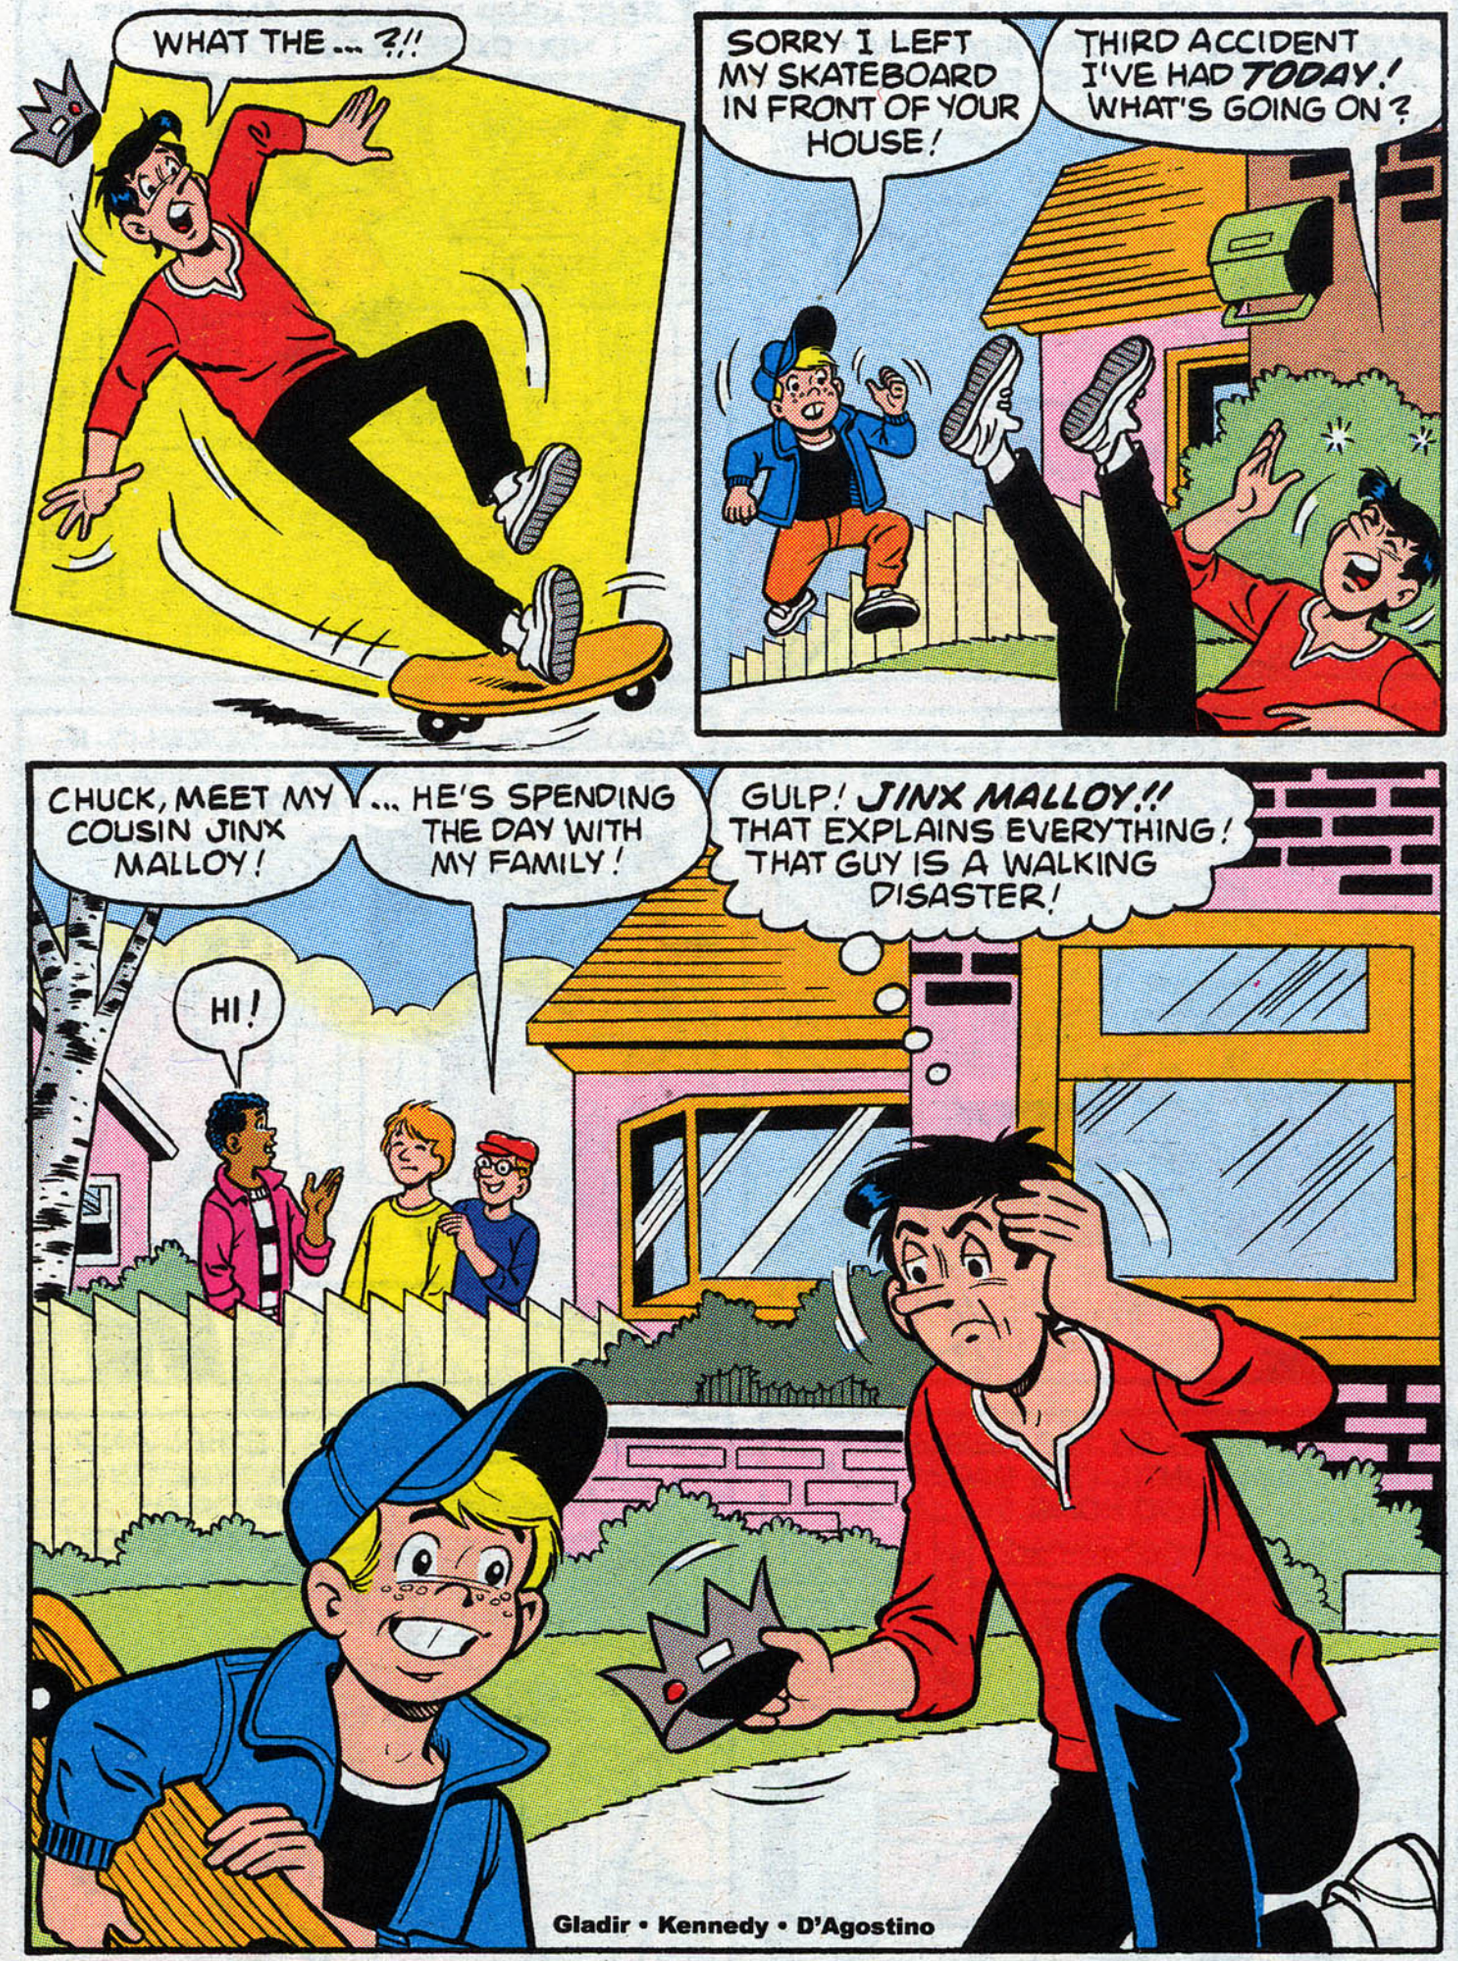

Hi Erica,
Thanks for being a fan for so many years! I'm glad to hear that the Double Digest books are your favorite, but don't forget that we try to make EVERY comic as funny as possible!
Now here are the answers to your questions:
1. There is no Little Archie Digest yet, but we are considering it! In the meantime you can catch Little Archie in **The Adventures of Little Archie Trade Paperback**. Check your local comic book shops, bookstores or order online at www.archiecomics.com
2. Yes, there are many adults who read Archie Comics! We have thousands of fans who are adults! Many of them have been fans since Archie's first appearance in Pep Comics #22 all the way back in December 1941!

Dear Riverdale Mail,
I think your stories are the best stories ever. My mom said when she was small she collected every story of yours. My favorite character is Jughead. I think he is funny. I think Reggie is so mean to Jughead! I wish I had every story of yours!
From,
Vick Yerneni
via e-mail

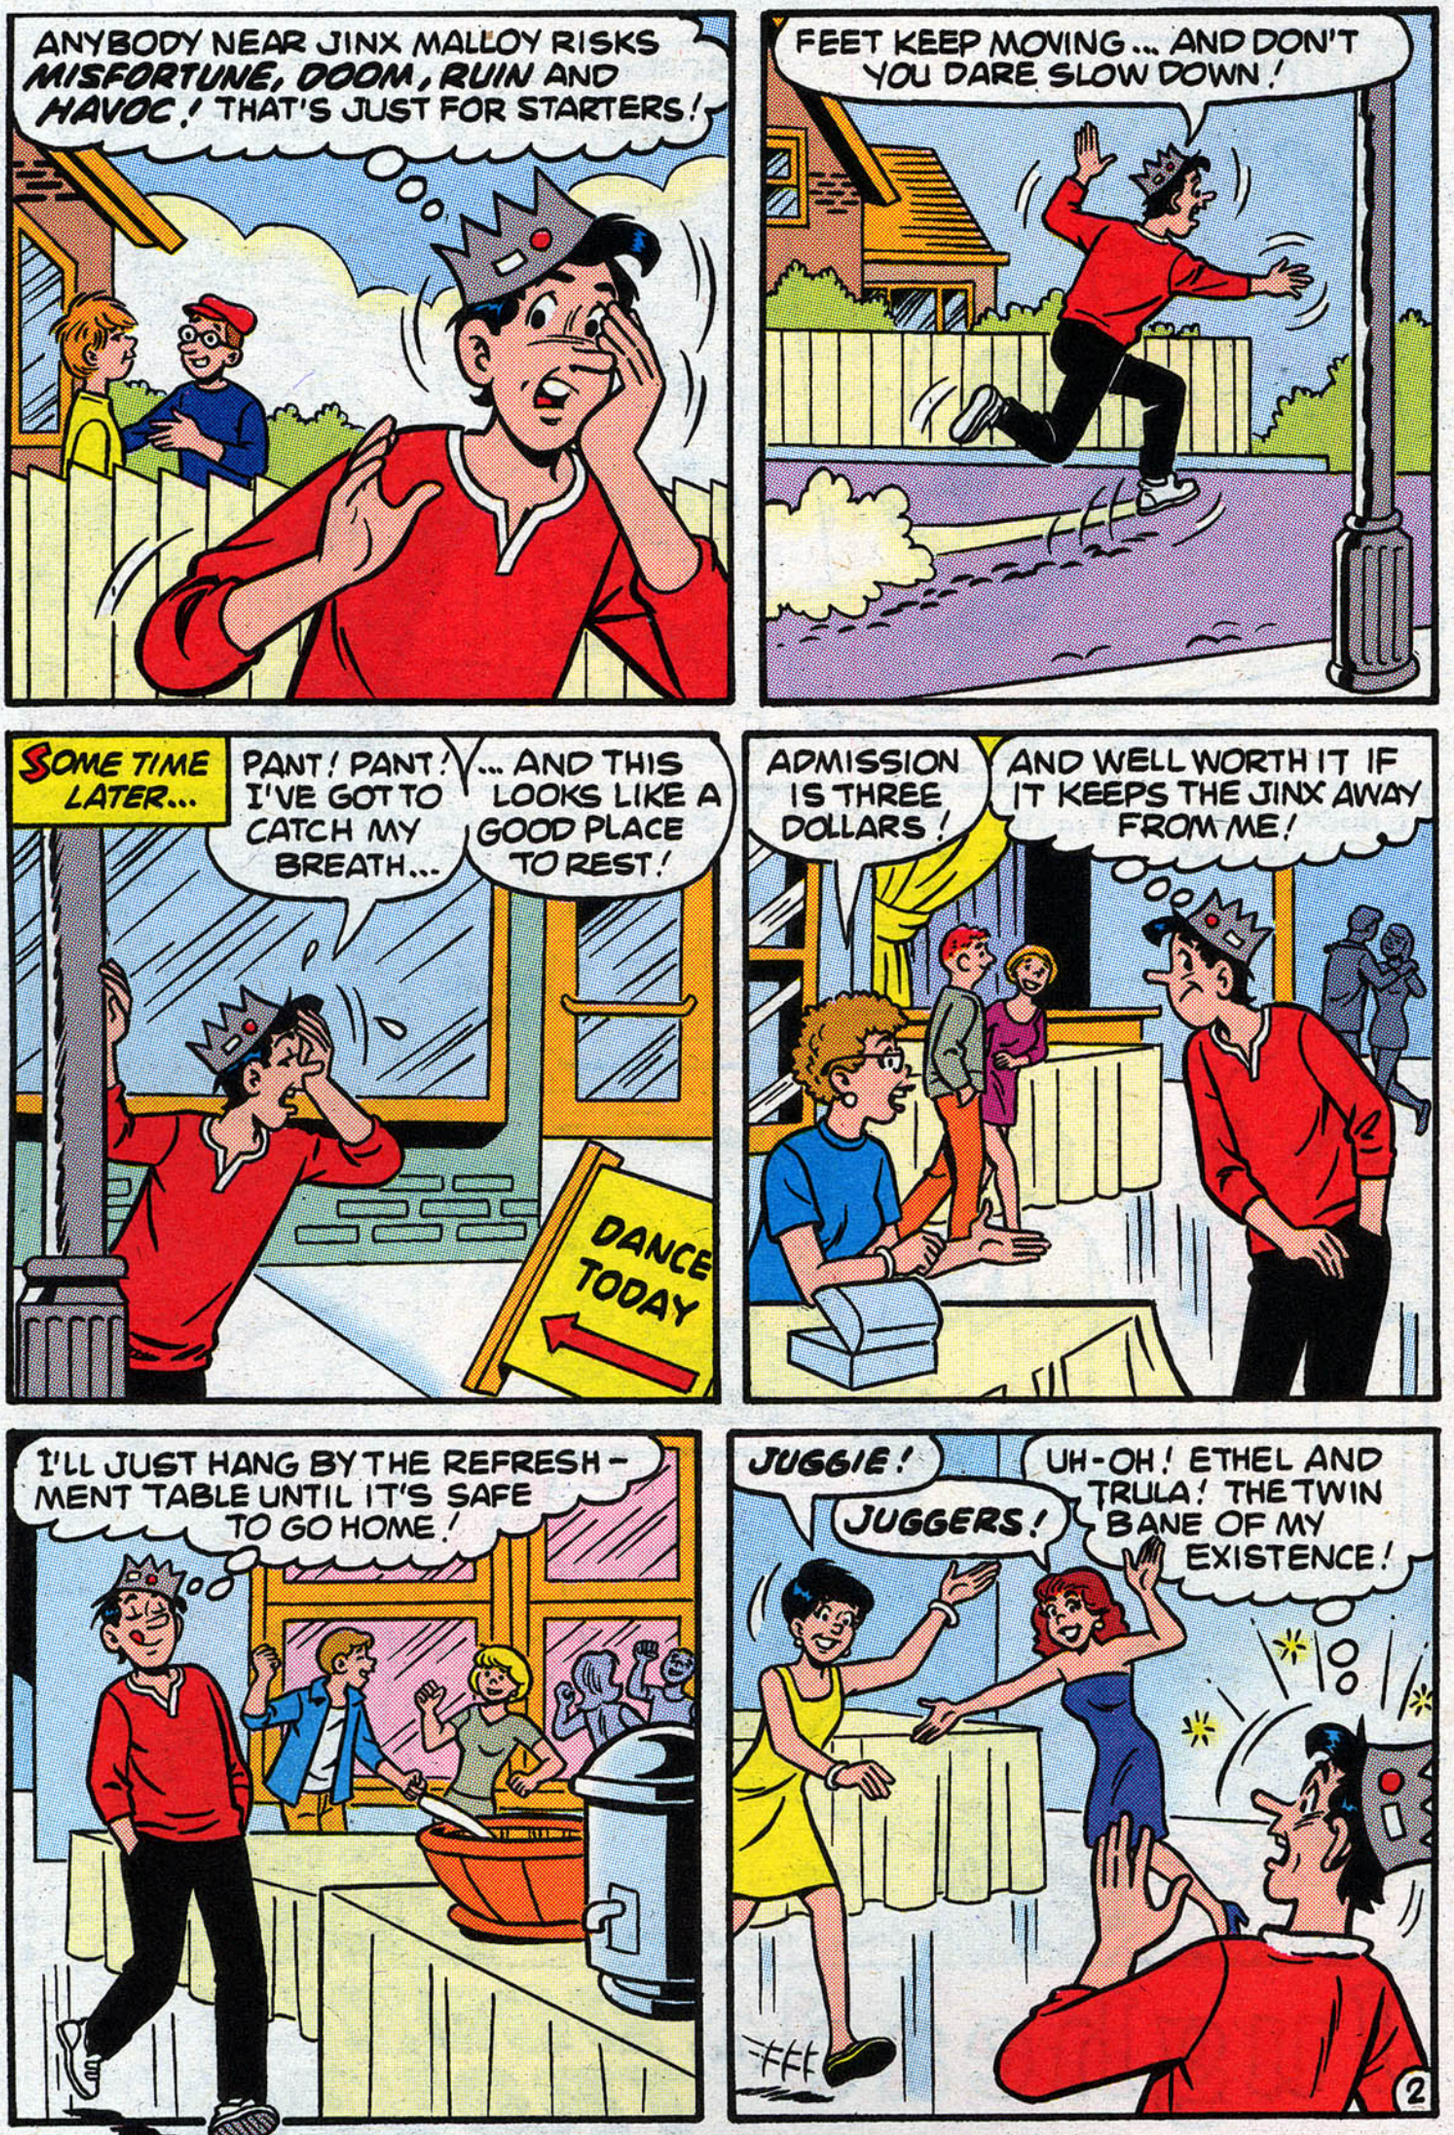

Hey Vick,
Like I said before, **Jughead & Friends Digest #1** is on sale this month so it's a great time to be a Jughead fan! Also, tell your mom that it's OK to be an adult and still collect Archie Comics, just ask Erica Rose! Also, a great way to fulfill your wish of having every Archie comic is to check out the **Stuff Shop** at www.archiecomics.com!

We want to hear from you!
